With reference to the above, has the honor to state that for the past few years thefts of bullocks and carts were committed in the Districts of Shimoga, Hassan, Mysore, Kolar and Bangalore by administering stupefying drugs to the cart drivers under the following circumstances

One Seshiah and his accomplice Venkata Subbiah were hiring carts and in the next or second stage, they used to prepare food mixing in it Datura or other stupefying poison and were voluntarily offering the same to the cart driver who was naturally tempted to partake of the food. A few minutes after, he used to become drugged and fall senseless The accused then leaving the driver in that condition, used to march off with the cart and bullocks to a distant village and sell them away for whatever price they could get. They used to catch another victim and followed the same procedure and thus committed a series of these inhuman crimes, the last of which was committed at Devanahally ( Bangalore District). Narana Iyer who was Inspector

of

f that Taluk then, took all the possible measures to find out the culprits and gathered every information regarding the hereabouts of the accused, by going to several places, and after is transfer to Bangalore to Bangalore Taluk Jamedar Munisamy f Devanhally Taluk was specially deputed to work under the nspector. The Inspector and the Jamedar successfully worked out the cases, traced out the property, found ut the culprits and charge sheeted the two accused (Venkata ubbiah and Seshiah) who were sentenced by the Sessions Judge o undergo rigorous imprisonment for 17 years, and transportation for life respectively.
